

PRODUCT FACT SHEET

# DULUX<sup>®</sup> ACRATHANE<sup>®</sup> IF

The Isocyanate-Free Epoxy Acrylic

# DULUX® ACRATHANE® IF

Acrathane® IF is a high gloss, isocyanate-free catalysed acrylic finish for long term durability in both exterior and interior areas. Its isocyanate-free formulation is particularly useful for on-site spray application. Acrathane® IF is easily recoatable with itself after minimal preparation. Acrathane® IF is also graffiti resistant.

## USES

Acrathane® IF is ideal for mining equipment such as diggers, loaders, and trains. Also suitable for public property prone to defacement by spray-can graffiti such as railway stations, ground level walls, underpasses, public car park walls, foyers, canopies, awnings, columns, screens, lifts and furniture and facades of shopping centres, sports centres and arts complexes.

## FEATURES

- Full range of colours, plus Sparkling Aluminium and Clear
- Excellent graffiti resistance - wipe clean with graffiti cleaners
- Isocyanate free
- Smooth gloss finish

## BENEFITS

- Easy to apply – can be sprayed on site
- Highly resistant to marring or marking
- Keeps assets free of graffiti

## PERFORMANCE GUIDE

Weatherability	Very good gloss and colour retention on UV exposure
Heat Resistance	Up to 100°C dry heat
Water Resistance	Excellent resistance to fresh and salt water. Not suitable for immersion
Abrasion Resistance	Very good
Solvent Resistance	Resists most solvents
Acid Resistance	Good
Alkali Resistance	Very good
Salt Resistance	Excellent
Standards & Approvals	AS/NZ 3750.5

## APPLICATION

Spray, brush and roller
