Product Fact Sheet

Luxafloor[®] Express FCF

Fast Cure Coating for Concrete Floors

Luxafloor® Express FCF

LUXAFLOOR® FCF is a two pack, high performance, fast cure floor coating designed to get assets back into service quickly with very short cure times.

Combining LUXAFLOOR® FCF with LUXAFLOOR® AGGREGATES enables the fast installation of safety compliant slip resistant finishes.

Features

- Recoat in 2 hours at 25°C
- Fast return to service – full cure 1 day at 25°C
- Long pot life – 8 hours at 25°C
- Isocyanate free
- Excellent gloss & colour retention under UV exposure, making it suitable for interior and exterior application
- Excellent system when paired with Luxafloor Express Primer

Application

Brush and roller

Product overview – See Product Data Sheet for more information

Volume solids	75% (White)
VOC level	<215 g/L (White)
Recommended dry film thickness (per coat)	75 µm (Spread rate of 10.0 M ² /L)
